# A MESSAGE FROM THE PRESIDENT

Hello Friends!

I want to start by welcoming everyone to another summer at the lake! LLCOA members stand out for their continued commitment to making our community a great place to live. It's your involvement, your dedication, and your care for our diamond-in-the-rough that makes all the difference.

As your President, I have the privilege of working alongside so many passionate (is one way to put it) and engaged cabin-owners who want to help make Longwood Lake a welcoming, fun and well-maintained place. We're not just an organization, but a group of volunteers and most of all, friends that always come together to grow from generation-to-generation.

Speaking of growing, we can't grow without community involvement, volunteering and engagement, in the forms of events. From Ice Fishing to 4th of July celebrations to Docktails (a personal favorite) to Bingo and our Annual Picnic, I'm always excited to see what events and activities our members come up with.

Finally, I'd like to remind everyone that this HOA is a reflection of our shared values in the form of rustic living for families as well as having a place to go to refresh. With that being said, I cannot emphasize more how extremely important this year's Annual Meeting will be for all members to go to, as it relates to the lake's future. Please show up and partake in what may be the most important event of Longwood Lake's history with relation to the dam's status and future.

Thank you once again for your support! I look forward to working with all of you in the year ahead to continue making our community even better. I hope everyone can maximize their time and their experiences (that only our community can provide) this summer.

Let's make this a year to remember...

Sincerely,  
Feliks Kiselyuk

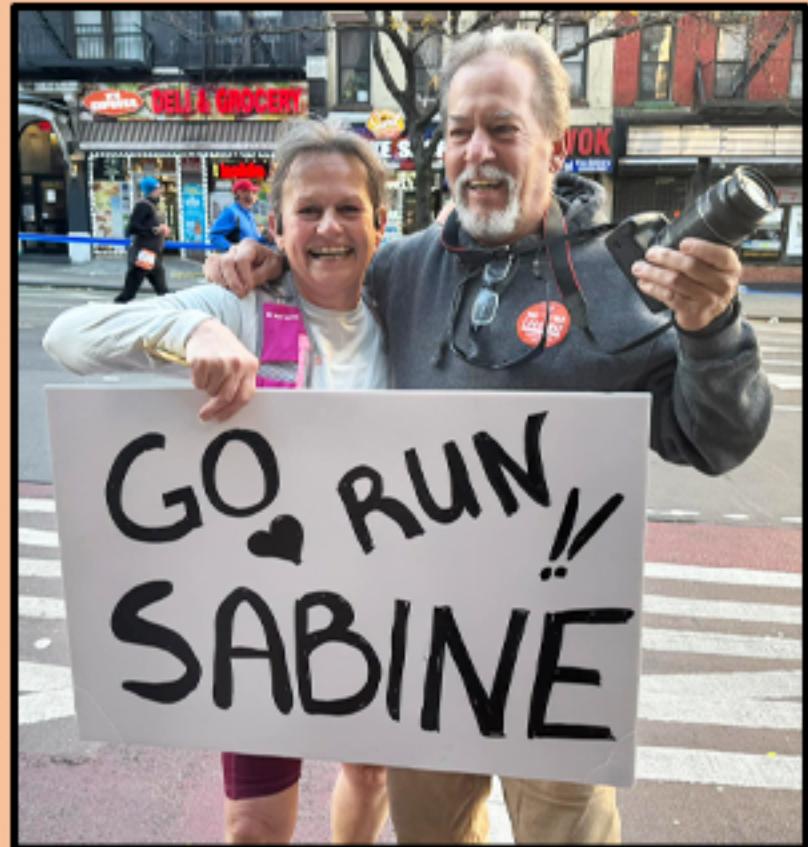

# WHILE YOU WERE OUT

All of this happened around us while our gates were closed.

In October, the skies over Longwood Lake were illuminated by the Northern Lights. Unfortunately, they were in violation of the 800 lumens regulations, so they had to be turned off immediately to avoid a fine.

Past November, Sabine successfully completed her first New York City Marathon. Danny Mauer also ran and he is expected to reach the finish line just in time for the Fourth of July.

Drones all over New Jersey, particularly over the Picatinny Arsenal. Looking for intelligent life? Good luck with that.

December: Santa left us a sinkhole on I-80 Exit 34.

**SATURDAY, JUNE 28**

# **ANNUAL MEETING**

**10AM AMERICAN LEGION HALL  
28 REGION RD OAK RIDGE**

**3-7PM**

**SATURDAY, JULY 5**

**2PM FREDDIE'S FIELD**

**(rain date July 12)**

**for donations, contact Anthony Ventre via Zelle (201) 300 7281  
or Venmo to Jennifer Quigley at Jennifer-Quigley-16**
